

EDUTOUCH DIGITAL LEARNING PLATFORM

FINAL APP + WEBSITE + ADMIN PANEL REQUIREMENT

English Version

Platform Structure: Android Student App + Website + Admin Panel + Web-based Instructor Dashboard

Important: The Student App, Website and Admin Panel should operate through the same Backend / Database wherever applicable.

1. STUDENT ANDROID APP

Home Interface – Main Clickable Options

- Live Classes
- Recorded Classes
- Courses
- Tests & Mock Tests
- Study Materials → Study Material Store – Paid PDFs
- Current Affairs → Daily / Monthly
- Announcements
- Certificates
- My Performance
- Support

Basic Student Features

- Student Login
- Mobile Number / OTP
- Student Profile
- Notifications
- Purchase History
- Course Validity
- Logout

2. LIVE ONLINE CLASS

- YouTube Live Integration
- YouTube Unlisted Live Support
- Upcoming Live Class
- Live Now
- Class Schedule
- Course-wise Live Class
- Batch-wise Live Class
- Class-wise YouTube Link Management
- Live Class Reminder
- Push Notification

- Live Replay / Recording
- Full Screen
- Landscape Mode

3. RECORDED VIDEO CLASS

- YouTube Unlisted Video Integration
- Course-wise Video
- Subject-wise Video
- Chapter-wise Video
- Class-wise Video
- Video Thumbnail
- Video Description
- Full Screen
- Landscape Mode
- Playback Speed
- Resume Watching
- Watch History
- Video Progress
- Course-wise Access Control
- Batch-wise Access Control
- Course Expiry-based Access Control
- Related PDF / Study Material Link

4. COURSE MANAGEMENT

- Multiple Course Creation
- Course Category and Sub-category
- Subject
- Chapter
- Course Description
- Course Fee
- Discount Price
- Course Duration
- Course Validity
- Publish / Unpublish
- Activate / Deactivate
- Courses may include WBCS, SSC, TET, Upper Primary, Police, Railway, Banking, Nursing, Panchayat and other Government Job Courses.

5. BATCH MANAGEMENT

- Multiple Batch Creation
- Batch-wise Student Management

- Batch-wise Instructor Assignment
- Batch Schedule
- Batch-wise Live Class
- Batch-wise Recorded Class
- Batch-wise Study Material
- Batch-wise Test
- Batch Activation / Deactivation
- Student Add / Remove
- Batch-wise Notification

6. COURSE STUDY MATERIAL

- PDF Upload
- PDF Viewer
- Course-wise Material
- Subject-wise Material
- Chapter-wise Material
- Batch-wise Material
- PDF Download
- Material Access Control
- Course Validity-based Access
- Related PDF link from video/class
- New Material Notification

7. PAID STUDY MATERIAL STORE

Student Features

- Separate digital Study Material Store outside course enrollment
- Individual PDF as a digital product
- Material Cover / Thumbnail
- Material Name
- Description
- Exam Category
- Subject / Topic
- Price
- Discount Price
- Preview / Sample PDF
- Purchase Now
- Online Payment
- Purchase Confirmation
- Purchase History
- My Purchased Materials

- PDF View
- PDF Download
- Re-download
- Purchase-based Access Control

Important Requirement

- Study Material purchase and Course Enrollment must be completely separate. A student must be able to purchase an individual paid PDF without purchasing any course.

Admin Management

- Add / Edit / Delete Material
- Publish / Unpublish
- Upload / Replace PDF
- Set Price / Discount
- Cover Image and Description
- View Purchases / Sales / Revenue
- Purchased Students
- Access Management

8. ONLINE TEST / MOCK TEST

Test Types

- Chapter Test
- Subject Test
- Practice Test
- Full Mock Test
- Previous Year Question Test
- Assignment Test

Features

- MCQ
- Timer
- Negative Marking
- Question Navigation
- Mark for Review
- Skip Question
- Auto Submit
- Random Questions
- Random Options
- Instant Result
- Correct / Wrong / Unattempted
- Detailed Solution
- Re-attempt

9. QUESTION BANK

- Question Bank
- Subject-wise Questions
- Chapter-wise Questions
- Exam-wise Questions
- Difficulty Level
- Question Import
- Question Edit / Delete
- Answer and Explanation
- Negative Mark
- Question Randomization
- Test Creation from Question Bank

10. TEST PERFORMANCE ANALYSIS

- Total Marks
- Obtained Marks
- Percentage
- Accuracy
- Attempted / Wrong / Unattempted Questions
- Time Taken
- Subject-wise Performance
- Test-wise Performance
- Batch Rank
- Overall Rank
- Percentile
- Previous Test Comparison

11. ASSIGNMENT SYSTEM

- Assignment Creation
- Course / Batch Linking
- Assignment Description
- Deadline
- Student Submission
- File / Image Upload
- Evaluation
- Marks
- Feedback
- Submission Status

12. CURRENT AFFAIRS

Content

- Daily Current Affairs
- Monthly Current Affairs
- Static GK
- Exam-oriented Current Affairs
- Current Affairs MCQ
- Daily Quiz
- National
- International
- West Bengal
- Polity
- Economy
- Science & Technology
- Environment
- Defence
- Sports
- Awards & Honours
- Appointments
- Government Schemes
- Important Days
- Books & Authors
- Reports & Index

Organisation

- Date-wise Archive
- Month-wise Archive
- Category-wise Archive
- Latest Current Affairs
- Previous Current Affairs

Admin

- Add
- Edit
- Publish
- Unpublish
- Delete

13. STUDENT LEARNING PROGRESS

- Course Progress
- Classes Completed
- Videos Watched

- Tests Attempted
- Average Score
- Test Performance
- Assignment Status
- Learning History
- Certificates

14. ONLINE ADMISSION & PAYMENT

- Online Course Admission
- Online Course Purchase
- Payment Gateway Integration
- Course-wise Pricing
- Discount
- Coupon
- Payment History
- Transaction Status
- Automatic Course Enrollment
- Course Validity
- Invoice / Receipt

15. STUDY MATERIAL PAYMENT

- Individual PDF Purchase
- Online Payment
- Payment Confirmation
- Automatic Purchase Activation
- Purchase History
- My Purchased Materials
- Download Access

16. NOTIFICATION SYSTEM

- Push Notification
- In-App Notification
- Live Class Reminder
- New Class
- New Recorded Video
- New Study Material
- New Test
- Test Result
- Assignment Deadline
- Current Affairs Update
- Important Announcement

- Course Expiry Reminder
- Batch-specific Notification
- Study Material Purchase Confirmation

17. ADMIN PANEL

Student Management

- Add / Edit Student
- Activate / Deactivate
- Block / Unblock
- Course Assign
- Batch Assign
- Course Validity
- Purchase History

Course Management

- Create / Edit / Delete Course
- Subject
- Chapter
- Video
- PDF
- Test
- Batch

Content Management

- Live Class
- Recorded Video
- PDF
- Current Affairs
- Quiz
- Assignment
- Announcement

Sales Management

- Course Sales
- Study Material Sales
- Payment
- Revenue
- Coupon
- Purchase History

Reports

- Student Report
- Course Report
- Batch Report

- Test Report
- Payment Report
- Study Material Sales Report
- Performance Report

18. INSTRUCTOR / TEACHER DASHBOARD

- Separate Teacher Mobile App is not required.
- Web-based Instructor Dashboard
- Assigned Courses
- Assigned Batches
- Class Schedule
- Live Class Link
- Recorded Content
- Study Material
- Assignment
- Test
- Student Performance
- Student Queries

19. STUDENT SUPPORT / DOUBT SYSTEM

- Help & Support
- Raise Support Ticket
- Student Query
- Text Message
- Image / Screenshot Upload
- Admin / Instructor Reply
- Pending / Resolved Status

20. CERTIFICATE SYSTEM

- Course Completion Certificate
- Automatic Certificate Generation
- Student Name
- Course Name
- Certificate Number
- Download
- Certificate Verification

21. SECURITY & ACCESS CONTROL

- Secure Login
- Course-wise Access Control
- Batch-wise Access Control

- Course Validity Control
- Study Material Purchase-based Access
- Device Approval
- Unauthorized Device Restriction
- Content Security
- Screenshot Protection – if technically supported
- Screen Recording Protection – if technically supported
- Dynamic Watermark – if supported
- Student-specific Watermark – if supported
- Video Access Control

22. SMARTBOARD & DEVICE COMPATIBILITY

- Android Mobile
- Android Tablet
- Android Smartboard
- Landscape Mode
- Portrait Mode
- Full Screen
- Different Screen Sizes
- Responsive Interface
- Live Class and Recorded Video must work properly on Android Smartboards in Landscape + Full Screen mode.

23. WEBSITE

Website Sections

- Home
- About EDUTOUCH
- Courses
- Study Material Store
- Current Affairs
- Online Test
- Admission
- Student Login
- Payment
- Announcements / News
- Contact
- Download App
- Privacy Policy
- Terms & Conditions

24. WEBSITE + APP + ADMIN INTEGRATION

- Website, Android App and Admin Panel must be connected to the same Backend / Database.

- Students must be able to use the same account on the Website and App.
- Student Profile, Course Enrollment, Course Validity, Batch, Purchased Study Materials, Purchase History, Test Results, Learning Progress, Certificates and relevant Notifications should be synchronized.
- If a Course / PDF is purchased from the Website, access must be available in the App.
- If a Course / PDF is purchased from the App, purchase history / access must be available on the Website.
- When the Admin updates a Course, Video, PDF, Current Affairs, Test, Announcement or Live Class, the update should reflect on the Website and App.
- There should not be separate student databases for the Website and App.

25. EDUTOUCH BRANDING

- EDUTOUCH Logo
- EDUTOUCH App Name
- App Icon
- Brand Colours
- Splash Screen
- Website Branding
- About Us
- Contact Us
- Social Media Links
- Privacy Policy
- Terms & Conditions

26. REPORTS & ANALYTICS

- Total Students
- Active Students
- Course-wise Students
- Batch-wise Students
- Course Sales
- Study Material Sales
- Revenue
- Payment Report
- Test Performance
- Student Progress
- Assignment Report
- Course Engagement
- Content Usage

27. SOURCE CODE & TECHNICAL HANDOVER

- Android App Source Code
- Website Source Code
- Admin Panel Source Code

- Backend / API Source Code
- Database
- Database Structure
- API Documentation
- Admin Documentation
- Deployment Documentation
- Database Backup / Export
- Future maintenance, modification or further development by another Developer / Company must be possible.

28. HOSTING & DOMAIN OWNERSHIP

- Hosting and Domain will be fully owned by EDUTOUCH.
- Domain will be registered under an EDUTOUCH-controlled account.
- Hosting will be under an EDUTOUCH-controlled account.
- Hosting login credentials will remain with EDUTOUCH.
- Server access will remain with EDUTOUCH.
- Database access will remain with EDUTOUCH.
- Database backups will remain accessible to EDUTOUCH.
- The development company will receive only the technical access required for development, deployment and maintenance.
- EDUTOUCH must be able to grant access to another developer/company in the future.
- The platform must be migratable to another server/hosting provider.
- Domain/Hosting must not depend on the developer's personal account.

29. GOOGLE PLAY CONSOLE OWNERSHIP

- Google Play Console will be created and operated using an EDUTOUCH-controlled email/account.
- Play Console ownership will remain with EDUTOUCH.
- The development company will receive the required technical access/permissions.
- The App will not be published under the development company's personal Play Console account.
- EDUTOUCH must be able to appoint another developer/company for future updates and maintenance.

30. PAYMENT GATEWAY OWNERSHIP

- Payment Gateway account will be in EDUTOUCH's name/control.
- Settlement will go directly to EDUTOUCH's bank account.
- The developer's personal/business payment account will not be used.
- Payment transaction data must remain accessible to EDUTOUCH.

31. TECHNICAL SUPPORT & MAINTENANCE

- Technical Support
- Bug Fixing
- App Maintenance
- Website Maintenance
- Server-related Support

- Database-related Support
- Security Updates
- Android / Play Store Updates
- Future Feature Addition Policy
- Maintenance Scope
