

ABOUT US

Integrated Financial Advisory for Growth, Capital & Wealth

Divyam Fincap Services is a Chartered Accountant-led financial advisory firm specialising in end-to-end capital solutions and wealth management.

We partner with businesses and individuals to deliver structured, scalable, and result-oriented financial outcomes across the entire lifecycle from raising capital to managing and growing wealth.

With over 15+ years of experience, we bring institutional-level expertise combined with a relationship-driven approach, ensuring that every solution is aligned with client objectives and market realities.

Our approach is rooted in understanding your unique goals. Whether you are seeking a complex loan product, looking to grow your wealth through strategic investments, or need a virtual CFO to guide your startup, our team provides tailored advice with an institutional level of precision and a boutique level of care

ABOUT FOUNDER

Brief Profile of Founder

Led by CA Arpit S. Kabra, a qualified Chartered Accountant with over 15 years of experience in the Finance and Treasury domain, Divyam Fincap Services is built on a strong foundation of delivering structured and outcome-driven financial solutions. With deep expertise across multiple verticals of finance and treasury operations, Arpit has worked with over 150 corporates and successfully executed transactions ranging from Rs. 30 million to Rs. 14,000 million, with aggregate fund raising exceeding Rs. 150,000 million.

His core strengths include deal structuring, term sheet

Other Financial Advisory Services

Beyond fund raising, Arpit offers comprehensive support across critical financial functions, acting as a strategic partner to businesses at various stages of growth. His expertise includes CFO services, covering financial planning, budgeting, cash flow management, MIS reporting, and overall financial discipline to

Wealth Management & Investment Solutions

Leveraging his treasury and capital markets experience, Arpit supports individuals and corporates in wealth creation, preservation, and strategic asset allocation. The approach focuses on aligning investment decisions with liquidity needs, risk appetite, and long-term financial objectives.

negotiations, credit and financial appraisal, compliance management, and preparation of transaction documentation aligned with lender and investor expectations ensuring stronger positioning and smoother execution.

Arpit professional network spans leading banks, NBFCs, private credit funds, credit rating agencies, and other key financial stakeholders. He has successfully executed fund raising transactions across diverse sectors including textiles, cement, hospitality, renewable energy, real estate, oil & gas, and more.

support informed decision-making.

He also assists promoters in setting up new businesses, including feasibility assessment, financial structuring, and preparation of detailed business plans and project reports aligned with lender and investor expectations.

In addition, Arpit supports clients in credit rating processes, facilitating improved positioning through robust financial presentation and data alignment. His services further extend to preparation of CMA data, handling bank queries, and providing end-to-end support in renewal and enhancement of banking facilities, ensuring continuity and efficiency in banking relationships.

He facilitates access to a wide spectrum of investment avenues including mutual funds, corporate fixed deposits, bonds, NCDs, PMS, and other curated investment solutions, with a strong emphasis on risk-adjusted returns, capital protection, and tax-efficient structuring.

The engagement model is centred around structured portfolio building, product selection, and ongoing monitoring, ensuring that investment strategies remain aligned with evolving market conditions and client goals.
